ABOUT THE CANDIDATES

Suzanne Helmy:

Our family moved into our current house on Alma Real on July 3, 1997 and woke up to a big surprise the next morning with the Fourth of July run. Ever since then, the 4th of July has become my favorite celebration in the Palisades. I love the spirit and pride that is showcased with all of the patriotic festivities in our community. But that is not the only day I love in the Palisades, I nearly love them all.

The Helmy family consists of my husband, Ibrahim, a cardiologist at Centinela and St. John's Hospitals; Daniel attending USC graduate school; John attending UC-Davis; and Marie, a freshman at Pomona College in Claremont.

During the time when my kids were growing up, I worked as a teacher in the elementary and middle school, and have volunteered endless hours in my children's schools on the parent association board, the Traffic Median Project on Alma Real and Ocampo, as a docent for the Children's Nature Institute, and as a youth leader for St. Peter and St. Paul Coptic Orthodox church. Currently, I work for CCG Investor Relations in Westwood.

After serving a term on the HPPOC as a director and treasurer, I am delighted to stay on the board for an additional year to serve our lovely community as treasurer once more. I hope to see you all at the annual meeting in February. It is really important for all to get involved to see what goes on in our neighborhood.

Catherine Coleman:

I have lived in the Huntington Palisades since 1988 and raised two daughters here. They are now 25 and 22, veterans of many hours at the Rec Center, the Corona del Mar Park, and walks back and forth to the Village. I graduated from Stanford University in 1975 and Harvard Law School in 1979. I practiced litigation at the Department of Justice in Washington DC before moving to Los Angeles and continuing in private litigation practice at a firm in Century City.

In 2004, I traded practice for teaching at USC Law School. After teaching first-year legal writing for four years, I became an academic support counselor and continue to teach both an Evidence skills class and Advanced Legal Writing. I am a member of a twelve-woman running team that periodically takes on the challenge of a 28-hour, 200-mile relay race, and I also enjoy running the Fourth of July 10K every year here in the Palisades.
