Agents and staff of Huntington residents may be accompanied by a dog that is registered with the HPPOC office and the registering resident shall be responsible for the conduct of his or her staff and agents.
- 5) **PARK SECURITY:** The HPPOC is dedicated to ensuring that the Park rules are strictly adhered to by the residents and has in place several security measures for liability reasons and to enforce violations of the Park Rules. The Park is gated with a card key system (a distinct colored key will be used to dog owners.) Every member of the HPPOC is required to secure a card key and sign the Registration and Indemnity Form in order to procure the card key. One key card will be issued per address. Additional or replacement cards can be purchased for \$25. Abuse of the card key system or violation of Park Rules may result in the suspension of the key cards and of the privilege to use the Park.

An outside security firm patrols the Park and the guards are instructed to approach persons using the park to verify if they are residents and to ask to see the card key. They will be authorized to

ask persons to leave if they are not a Huntington resident or accompanied by a Huntington resident or if they are a Huntington resident and are violating any of the Park Rules.

A formal process will be followed; the process details are posted on the HPPOC website. A member's right to use the Park may also be suspended for non-payment of an assessment, late fee and all other charges in accordance with paragraph 3 of the Policy on Delinquent Assessments.
